arose viz (1) how far the publication of such proceedings in the Gazette is useful to the public (2) and if such publication is useful only to a limited number of persons, how to give publicity to the proceedings The Education Secretariat dealing with University questions may be consulted

2. The Registrar may conveniently get separately printed the required number of spare copies for circulation and distribution By having it published in the Gazette as at present, some 1000 or more copies are unnecessarily printed which means a large quantity of paper consumed

For orders

for Secretary to Govt

1686

It is not necessary to publish in full the minutes of the Senate meetings in the Gazette. It will suffice if the resolutions alone be given publicity. This will not however save any necessary expenditure as such minutes are being published by all the universities, separately and this will hence to be done in this University also, which will add to the expenditure under Publications in the University Budget.
